## **SECTION 1 – GENERAL INFORMATION**

### **1.1 Purpose**

The Jackson Redevelopment Authority (JRA) is issuing this Request for Qualifications (RFQ) to solicit proposals from qualified firms or individuals to provide Architectural and Design Services for the replacement and repair of specific portions of the roof system at Union Station. The selected firm will assess existing conditions, develop design solutions, and ensure compliance with applicable building codes and preservation standards. This project supports JRA's mission to maintain and enhance key infrastructure within the City of Jackson to promote economic development and historic preservation.

### **1.2 Background**

The Jackson Redevelopment Authority (JRA) was established to serve as a catalyst for urban renewal and economic development in the City of Jackson, Mississippi. Created in response to challenges posed by urban decay and economic stagnation, JRA has played a critical role in revitalizing key areas of the city, fostering public-private partnerships, and leveraging investments to support long-term community and economic growth.

### **History**

JRA was founded in 1968 under the Urban Renewal Law of Mississippi to address the city's pressing need for reinvestment in deteriorated neighborhoods and commercial areas. Over the decades, JRA has evolved into a vital organization responsible for implementing redevelopment strategies that transform blighted areas into thriving spaces for businesses, residents, and visitors. By prioritizing community-centered development, JRA has become a trusted steward of Jackson's urban transformation efforts.

### **Mission**

The mission of JRA is to eliminate slum and blight, stimulate economic growth, and foster sustainable development that enhances the quality of life for all residents. This mission drives JRA's commitment to investing in infrastructure improvements, preserving historic districts, and creating opportunities for small businesses and entrepreneurs to flourish in a revitalized urban environment.

### **Vision**

JRA envisions a vibrant, inclusive, and economically resilient Jackson where innovation, community, and culture converge. The organization strives to be a model for redevelopment authorities across the country, leading with integrity, collaboration, and a commitment to equitable progress that benefits all citizens.

### Urban Renewal Responsibilities

JRA operates within designated Urban Renewal Zones, focusing on areas with high potential for economic transformation. These zones encompass historically significant neighborhoods, downtown corridors, and commercial districts that have experienced disinvestment over the years. Key responsibilities include:

- **Strategic Redevelopment:** Overseeing large-scale projects such as the Union Market at the Mill Street Viaduct and the Farish Street Historic District revitalization to breathe new life into underutilized spaces.
- **Property Management:** Managing and maintaining JRA-owned properties, including Union Station, parking facilities, and historic sites, to ensure their preservation and readiness for future development.
- **Funding Advocacy:** Securing federal, state, and private funding to support redevelopment projects that align with JRA's mission and vision.
- **Community Engagement:** Collaborating with stakeholders, including residents, businesses, and civic leaders, to ensure redevelopment efforts meet the needs and aspirations of the community.
- **Economic Development:** Attracting investments, creating jobs, and supporting entrepreneurship to build a stronger economic foundation for the city.

By blending innovation with respect for Jackson's rich history, JRA's efforts have sparked new opportunities and growth while addressing the city's most pressing challenges. From restoring historic landmarks to facilitating cutting-edge developments, JRA remains at the forefront of revitalizing Mississippi's capital city, paving the way for a prosperous future.

### 1.3 General Submission Information

Proposals must be submitted electronically via [www.centralbidding.com](http://www.centralbidding.com).

**For assistance with the electronic bidding process, please contact Central Bidding at 225-810-4814.** No physical copies will be accepted. Proposals that do not follow the submission guidelines or fail to include all required documentation will be disqualified.

Proposals must be submitted no later than **5:00 PM Central Time on February 18, 2025**. Late submissions will not be considered.

### 1.4 Questions

All questions regarding this RFQ must be submitted in writing to:

**Christopher G. Pike**, Executive Director

Phone: 601-960-1815 | Email: [Bids@jrams.org](mailto:Bids@jrams.org)

Questions must be submitted no later than **5:00 PM Central Time on February 14, 2025**.

Answers to all submitted questions will be posted on JRA's Central Bidding Portal ([www.centralbidding.com](http://www.centralbidding.com)) for all prospective proposers to review.

### **1.5 Preparation Costs**

The Jackson Redevelopment Authority will not reimburse any costs incurred by proposers for preparing, submitting, or presenting a proposal. All costs associated with participation in this RFQ process are the sole responsibility of the proposer.

## **2. RULES GOVERNING COMPETITION**

### **2.1 Examination of Proposals**

Firms are responsible for examining all instructions, terms, conditions, and specifications in the Request for Qualifications (RFQ). Failure to provide all requested information or submission of a proposal that does not comply with the RFQ requirements may result in the proposal being disqualified.

### **2.2 Proposal Acceptance Period**

All proposals must remain valid for a minimum of 90 days from the proposal submission deadline. This period may be extended by mutual agreement between the Jackson Redevelopment Authority (JRA) and the proposer.

### **2.3 Confidentiality**

Proposals submitted in response to this RFQ will be considered confidential and will not be disclosed to any party outside of JRA's evaluation process until a contract is awarded. However, all proposals may be subject to disclosure under the Mississippi Public Records Act. Proposers must identify proprietary information and provide justification for its exemption from disclosure.

### **2.4 Proposal Format**

Proposals must be prepared in the format specified in this RFQ. All submissions should be clear, concise, and organized to facilitate an objective evaluation. Proposals that fail to follow the specified format may be disqualified.

- Conformance to the RFQ instructions
- Responsiveness to the RFQ requirements
- Overall completeness and clarity of content

### **2.5 Signature Requirements**

All proposals must be signed by an authorized representative of the firm. The signature certifies that the firm agrees to be bound by the terms and conditions of this RFP and the proposal submitted. Unsigned proposals will not be considered.

## **2.6 Proposal Submission**

Proposals must be submitted in PDF Format. Electronic submissions must be made via the Central Bidding Website ([www.centralbidding.com](http://www.centralbidding.com)).

Proposals must be received no later than **5:00 PM Central Time on February 18, 2025**. Late submissions will not be accepted or considered.

## **2.7 News Releases**

Firms shall not issue any news releases or other public statements regarding this RFQ, JRA, or the selection process without prior written approval from JRA.

## **2.8 Disposition of Proposals**

All proposals submitted in response to this RFQ become the property of JRA and will not be returned to the proposers. One copy shall be retained for the official files of the Jackson Redevelopment Authority and will become public record after award of the Contract.

## **2.9 Modification/Withdrawal of Proposals**

Proposers may modify or withdraw their proposals at any time before the submission deadline. Requests for modifications or withdrawals must be made in writing and received by JRA before the deadline. After the deadline, proposals may not be modified or withdrawn.

## **2.10 Oral Change/Interpretation**

No oral interpretation or change of this RFQ shall be binding. Any changes or clarifications to the RFQ will be issued on the Central Bidding Website ([www.centralbidding.com](http://www.centralbidding.com)) in writing via addenda, which will be provided to all prospective proposers who have formally requested the RFQ.

## **2.11 Late Submissions**

Proposals received after the submission deadline will not be considered. JRA is not responsible for delays caused by mail, courier services, or electronic submission issues. Proposers are encouraged to submit their proposals well in advance of the deadline.

## **2.12 Rejection of Proposals**

JRA reserves the right to reject any and all proposals, waive irregularities, and request clarification or additional information from any proposer at its sole discretion. Proposals that are incomplete, do not comply with the requirements of this RFQ, or are submitted by firms deemed not responsible may be rejected without further consideration.

## **2.13 Title VI of the Civil Rights Act**

Jackson Redevelopment Authority hereby notifies all bidders that in compliance with Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d to 2000d-4 that all bidders will be afforded full opportunity to submit bids in response to this invitation and will not be

discriminated against on the grounds of race, color, national origin, or sex in consideration for an award.

JRA is committed to the principle of non-discrimination in public contracting. It is the policy of the Jackson Redevelopment Authority to promote full and equal business opportunity for all persons doing business with JRA.

### **SECTION 3 – SCOPE OF WORK**

#### **3.1 Background**

Union Station, located in the heart of downtown Jackson, Mississippi, is a historically significant landmark that plays a vital role in the city's cultural and architectural heritage. Built in the early 20th century, the station is an iconic structure that has witnessed the growth and changes of the surrounding area. As part of the Jackson Redevelopment Authority's (JRA) ongoing efforts to preserve and revitalize historic properties within the City of Jackson, Union Station has been identified as a key asset for redevelopment and long-term community investment.

Over time, the roof system of Union Station has experienced wear and tear, with some sections showing signs of deterioration due to age and environmental factors. To ensure the long-term preservation and functionality of the building, the JRA seeks to replace and repair specific portions of the roof. This project aims to not only address the immediate structural needs of the building but also to enhance its aesthetic and historic integrity, ensuring that Union Station remains a prominent feature of Jackson's downtown landscape for years to come.

#### **3.2 General Scope of Work**

The selected firm will work closely with JRA to develop comprehensive architectural and design solutions for the roof system replacement and repair, ensuring compliance with preservation guidelines and local building codes. This effort aligns with the broader goals of the JRA to revitalize urban renewal zones, advance sustainable development, and protect the architectural legacy of Jackson's historic buildings.

#### **Architectural/Design Services for Roof System Replacement & Repair at Union Station**

The selected firm will be responsible for providing architectural and design services related to the replacement and repair of specific portions of the roof system at Union Station. The scope of work includes, but is not limited to, the following:

##### **1. Site Assessment and Existing Conditions Review**

- Conduct a thorough assessment of the existing roof system, including identifying areas of deterioration, structural concerns, and potential water damage.

- Provide a detailed report documenting the condition of the roof, highlighting specific areas requiring immediate repair or replacement.
- Inspect and assess all relevant structural elements, including the roof deck, rafters, trusses, and supporting systems.

## **2. Design Development**

- Develop design concepts for the replacement and repair of the roof system that address both structural and aesthetic concerns.
- Ensure that the proposed design aligns with the historic preservation standards and guidelines to maintain the building's historic character.
- Consider materials and construction methods that are consistent with the architectural integrity of Union Station while ensuring durability and functionality.
- Address energy efficiency, water drainage, and long-term sustainability as part of the design solutions.

## **3. Construction Drawings and Specifications**

- Prepare detailed architectural drawings and specifications for the roof replacement and repair, including all necessary dimensions, materials, and construction details.
- Provide clear and concise construction documents to facilitate the procurement of contractors and secure necessary permits.
- Develop a comprehensive scope of work for construction contractors that reflects the design intent, building codes, and historic preservation standards.

## **4. Coordination with Other Consultants and Stakeholders**

- Coordinate with structural engineers, mechanical engineers, and other specialists as needed to ensure that the design meets all technical requirements.
- Collaborate with the Jackson Redevelopment Authority, local preservation officers, and other relevant stakeholders to ensure compliance with all preservation guidelines and building codes.
- Facilitate communication and coordination between JRA, contractors, and other involved parties throughout the project.

## **5. Cost Estimation and Budget Management**

- Provide a cost estimate for the roof system replacement and repair, including a detailed breakdown of materials, labor, and any additional associated costs.
- Assist JRA in evaluating potential contractors and developing a project budget that ensures cost-effectiveness without compromising quality or historic integrity.

## 6. Permitting and Regulatory Approvals

- Ensure that all necessary permits and approvals are obtained prior to the commencement of work, including coordinating with local building authorities and historic preservation organizations.
- Assist with navigating any local, state, or federal regulations that may apply to the project, particularly those related to historic preservation.

## 7. Construction Administration

- Provide oversight and support during the construction phase, ensuring that the project is executed according to the approved design and specifications.
- Conduct site visits to monitor progress and address any design or construction-related issues that may arise.
- Review contractor submittals, change orders, and other construction-related documents to ensure compliance with the project scope.

## 8. Final Inspection and Documentation

- Conduct a final inspection to ensure that all work is completed according to the approved design and specifications.
- Provide a final report documenting the completion of the project, including as-built drawings, warranties, and any additional maintenance recommendations for the roof system.

  - All responses must be in PDF format.

## **SECTION 5: EVALUATION CRITERIA AND SELECTION PROCESS**

### **5.1 Evaluation Criteria**

The Jackson Redevelopment Authority (JRA) will evaluate all proposals based on the following criteria:

#### **1. Firm Experience and Qualifications (35 Points)**

- Experience in providing architectural and engineering services for historic preservation projects, particularly roof repairs and replacements in designated historic districts.
- Proven track record of successfully completing roofing projects for historic buildings, ensuring compliance with preservation standards and maintaining the building's architectural integrity.
- Quality and depth of references that demonstrate the firm's ability to deliver similar services, particularly for projects with a focus on historic preservation.

#### **2. Key Project Staff and Expertise (25 Points)**

- Qualifications and experience of the proposed key staff members who will be assigned to this project, particularly their expertise in architectural design, roof systems, structural engineering, and preservation compliance.
- Ability to assign skilled personnel with demonstrated experience in working on roof repair and replacement projects for historic buildings and navigating preservation requirements.

#### **3. Methodology and Approach (30 Points)**

- The firm's approach to addressing the roof repair and replacement requirements outlined in the scope of work, including specific strategies for identifying, prioritizing, and executing repairs or replacements for different sections of the roof system.
- Strategies for ensuring compliance with historic preservation guidelines, building codes, and other applicable regulatory requirements throughout the project.
- Communication practices, including how the firm will keep JRA informed of progress, coordinate with stakeholders, and manage any potential challenges or adjustments during the project.

#### 4. References & Client Feedback (10 Points)

- Quality and relevance of client references that speak to the firm's past performance, particularly in relation to similar historic preservation and roofing projects.
- Client feedback regarding the firm's ability to meet deadlines, adhere to budgets, communicate effectively, and deliver high-quality results in accordance with preservation standards.
- Demonstrated ability to build strong client relationships and respond to project challenges in a timely and effective manner.

The maximum possible score is 100 points.

#### 5.2 Evaluation Committee

An evaluation committee will be established by the JRA to review and score all submitted proposals. The committee will evaluate each proposal according to the criteria outlined above and make recommendations for the selection of the successful proposer.

The committee will include JRA staff, individuals with expertise in historic preservation, urban redevelopment, and public sector project management. Members will independently assess each proposal, and all scores will be compiled to determine the highest-scoring proposal.

#### 5.3 Oral Interviews (Optional)

JRA reserves the right to conduct oral interviews with shortlisted proposers to further evaluate qualifications and approaches. Interviews may be used to:

- Clarify or expand upon information provided in the proposal.
- Assess the firm's approach to Historic Tax Credit Consulting and Architectural Services.
- Evaluate the firm's ability to communicate and collaborate effectively with JRA and stakeholders.

Interviews, if conducted, will be scheduled for **February 21, 2025**. The evaluation committee will notify the selected firms and provide details regarding the interview format.

#### 5.4 Final Selection

The final selection of the successful proposer will be based on cumulative scores from the evaluation of the written proposals and, if applicable, oral interviews. The highest-scoring firm will be recommended to JRA for contract award.

JRA reserves the right to:

- Reject any or all proposals.
- Negotiate with the selected firm(s).
- Not award a contract if no proposal is deemed suitable.

All proposers will be notified of the final decision regarding the selection process. Upon selection, the successful firm will enter contract negotiations with JRA to formalize the terms of the agreement. The contract will include specific deliverables, timelines, and compensation arrangements.

## **SECTION 6: CONTRACT NEGOTIATION PROCESS**

### **6.1 Overview of the Contract Negotiation Process**

After the final selection of the successful proposer, JRA will begin the contract negotiation process. This phase is intended to formalize the relationship between the JRA and the selected firm and ensure that the terms and conditions of the contract are mutually agreed upon. The negotiation process will focus on defining deliverables, timelines, payment structures, performance standards, and any other key aspects of the contract that were not fully addressed in the proposal.

The successful firm will be notified in writing and will be invited to enter into negotiations with JRA. The firm will be expected to negotiate in good faith and provide the necessary documentation, resources, and information to facilitate a smooth contract negotiation.

### **6.2 Key Components to be Negotiated**

The following elements will be discussed and finalized during the contract negotiation process:

#### **1. Scope of Work and Deliverables**

- Clear definition of the scope of services to be provided, including the specific tasks, goals, and objectives to be achieved.
- A mutually agreed-upon timeline for service delivery, including milestones and deadlines for key deliverables.

#### **2. Compensation and Payment Terms**

- Final agreement on the total compensation for the services provided, including any upfront payments, milestone-based payments, or recurring fees.
- A payment schedule and invoicing process, including any specific conditions for payment and terms related to late fees or penalties.

#### **3. Performance Metrics and Standards**

- Agreement on how performance will be evaluated, including key performance indicators (KPIs), reporting requirements, and any regular performance reviews or meetings.

- Expectations for how progress will be communicated to JRA, including regular updates and reports.
4. **Timeline and Project Management**
- Finalization of a detailed project timeline, including key milestones, deadlines, and benchmarks to track progress.
  - Agreement on a project management approach, including how JRA and the successful firm will collaborate and communicate.
5. **Termination Clauses**
- Terms and conditions under which either party can terminate the agreement, including notice periods and reasons for termination.
  - Procedures for handling any transition or handover of work if the contract is terminated early.
6. **Confidentiality and Compliance**
- Confirmation of compliance with all relevant laws, regulations, and JRA policies, including confidentiality requirements and restrictions on the sharing of sensitive information.
  - Agreement on data privacy and protection, especially related to any personal or proprietary data shared during the contract.
7. **Indemnification and Liability**
- Final terms regarding indemnification provisions, including any liabilities the firm may assume for actions taken or omissions during the contract period.
  - Agreement on the insurance requirements for the firm, including types and amounts of coverage.
8. **Dispute Resolution Process**
- Procedures for resolving disputes, including any required mediation, arbitration, or legal steps, and agreement on the jurisdiction or venue for any legal action.

### 6.3 Duration of Negotiations

Contract negotiations are expected to begin within **one week** following the selection of the successful proposer. JRA aims to finalize the negotiations and execute a contract within **two weeks** of commencing negotiations, though the exact timeline may vary depending on the complexity of the contract terms and the responsiveness of both parties.

Should there be any delays or challenges during the negotiation process, both parties are expected to work collaboratively to resolve any issues in a timely manner. If, for any reason, a mutually acceptable agreement cannot be reached, JRA reserves the right to discontinue negotiations with the selected firm and begin negotiations with the next highest-scoring proposer or consider alternative solutions.

### 6.4 Contract Execution

Once the terms have been finalized, JRA will prepare the official contract document. The contract must be signed by an authorized representative of both JRA and the selected firm.

This signed contract will serve as the formal agreement between the parties and will define the rights and responsibilities of each in providing federal lobbying services.

The executed contract will include the agreed-upon deliverables, timelines, compensation, and all other negotiated terms. It will be legally binding once signed by both parties and will serve as the governing document for the duration of the contract.
