SECTION 1 – GENERAL INFORMATION

1.1 Purpose

The Jackson Redevelopment Authority (JRA) is soliciting sealed RFQ's from qualified firms or individuals to provide Architectural and Design Services for the design, development, and construction management of The Pullman Porter Food Works at Union Station. This project will reimagine and modernize the old, underutilized Greyhound bus area at Union Station, transforming it into a vibrant food hall while preserving the station's historical integrity. This partnership will support JRA's mission of revitalizing urban renewal zones and advancing economic and community development within the City of Jackson.

1.2 Background

The Jackson Redevelopment Authority (JRA) was established to serve as a catalyst for urban renewal and economic development in the City of Jackson, Mississippi. Created in response to challenges posed by urban decay and economic stagnation, JRA has played a critical role in revitalizing key areas of the city, fostering public-private partnerships, and leveraging investments to support long-term community and economic growth.

History

JRA was founded in 1968 under the Urban Renewal Law of Mississippi to address the city's pressing need for reinvestment in deteriorated neighborhoods and commercial areas. Over the decades, JRA has evolved into a vital organization responsible for implementing redevelopment strategies that transform blighted areas into thriving spaces for businesses, residents, and visitors. By prioritizing community-centered development, JRA has become a trusted steward of Jackson's urban transformation efforts.

Mission

The mission of JRA is to eliminate slum and blight, stimulate economic growth, and foster sustainable development that enhances the quality of life for all residents. This mission drives JRA's commitment to investing in infrastructure improvements, preserving historic districts, and creating opportunities for small businesses and entrepreneurs to flourish in a revitalized urban environment.

Vision

JRA envisions a vibrant, inclusive, and economically resilient Jackson where innovation, community, and culture converge. The organization strives to be a model for redevelopment authorities across the country, leading with integrity, collaboration, and a commitment to equitable progress that benefits all citizens.

Urban Renewal Responsibilities

JRA operates within designated Urban Renewal Zones, focusing on areas with high potential for economic transformation. These zones encompass historically significant neighborhoods, downtown corridors, and commercial districts that have experienced disinvestment over the years. Key responsibilities include:

- **Strategic Redevelopment:** Overseeing large-scale projects such as the Union Market at the Mill Street Viaduct and the Farish Street Historic District revitalization to breathe new life into underutilized spaces.
- **Property Management:** Managing and maintaining JRA-owned properties, including Union Station, parking facilities, and historic sites, to ensure their preservation and readiness for future development.
- **Funding Advocacy:** Securing federal, state, and private funding to support redevelopment projects that align with JRA's mission and vision.
- **Community Engagement:** Collaborating with stakeholders, including residents, businesses, and civic leaders, to ensure redevelopment efforts meet the needs and aspirations of the community.
- **Economic Development:** Attracting investments, creating jobs, and supporting entrepreneurship to build a stronger economic foundation for the city.

By blending innovation with respect for Jackson's rich history, JRA's efforts have sparked new opportunities and growth while addressing the city's most pressing challenges. From restoring historic landmarks to facilitating cutting-edge developments, JRA remains at the forefront of revitalizing Mississippi's capital city, paving the way for a prosperous future.

1.3 General Submission Information

Proposals must be submitted electronically via www.centralbidding.com.

For assistance with the electronic bidding process, please contact Central Bidding at 225-810-4814. No physical copies will be accepted. Proposals that do not follow the submission guidelines or fail to include all required documentation will be disqualified.

2.7 News Releases

Firms shall not issue any news releases or other public statements regarding this RFQ, JRA, or the selection process without prior written approval from JRA.

2.8 Disposition of Proposals

All proposals submitted in response to this RFQ become the property of JRA and will not be returned to the proposers. One copy shall be retained for the official files of the Jackson Redevelopment Authority and will become public record after award of the Contract.

2.9 Modification/Withdrawal of Proposals

Proposers may modify or withdraw their proposals at any time before the submission deadline. Requests for modifications or withdrawals must be made in writing and received by JRA before the deadline. After the deadline, proposals may not be modified or withdrawn.

2.10 Oral Change/Interpretation

No oral interpretation or change of this RFQ shall be binding. Any changes or clarifications to the RFQ will be issued on the Central Bidding Website (www.centralbidding.com) in writing via addenda, which will be provided to all prospective proposers who have formally requested the RFQ.

2.11 Late Submissions

Proposals received after the submission deadline will not be considered. JRA is not responsible for delays caused by mail, courier services, or electronic submission issues. Proposers are encouraged to submit their proposals well in advance of the deadline.

2.12 Rejection of Proposals

JRA reserves the right to reject any and all proposals, waive irregularities, and request clarification or additional information from any proposer at its sole discretion. Proposals that are incomplete, do not comply with the requirements of this RFQ, or are submitted by firms deemed not responsible may be rejected without further consideration.

SECTION 3 – SCOPE OF WORK

3.1 Background

The Jackson Redevelopment Authority (JRA) is seeking an architectural and design firm to lead the redevelopment of underutilized space at Union Station into The Pullman Porter Food Works. This project aims to transform the former Greyhound bus terminal area, which once housed restaurant spaces, into a vibrant food hall that celebrates Jackson’s rich culinary scene while preserving the historical integrity of Union Station.

3.2 General Scope of Work

The selected firm will provide comprehensive design, development, and construction management services, incorporating existing infrastructure—including commercial kitchen equipment, grease traps, and ventilation systems—into a modernized layout. The food hall will house 6 to 8 diverse restaurant concepts, with shared seating and a unique thematic focus on the legacy of Pullman Porters, who played a significant role in passenger rail history.

JRA’s goal is to create a dynamic, community-driven space that supports local food entrepreneurs while honoring the past. The selected firm will be responsible for architectural planning, historic preservation, commercial kitchen design, and construction oversight to ensure a seamless and high-quality transformation of the space.

3.3 Overview of Services

The selected firm will be responsible for delivering a comprehensive design plan that transforms the former Greyhound bus terminal area at Union Station into *The Pullman Porter Food Works*. The design must balance modern functionality with historic preservation, ensuring that the space is both a state-of-the-art food hall and a tribute to the Pullman Porters' legacy.

1. Site Analysis & Feasibility Assessment

- Conduct a detailed site survey to evaluate the existing infrastructure, including mechanical, electrical, and plumbing (MEP) systems.
- Assess the structural integrity of the space to ensure it can accommodate renovations without compromising historical elements.
- Perform a code and compliance review, ensuring adherence to local, state, and federal regulations, including accessibility and historical preservation guidelines.

- Identify opportunities for adaptive reuse of existing restaurant infrastructure (e.g., grease traps, ventilation, freezers, and commercial kitchen equipment).

2. Conceptual Design & Space Planning

- Develop conceptual renderings and floor plans that illustrate the transformation of the space into a vibrant food hall.
- Design the layout to accommodate 6 to 8 food vendors, ensuring adequate space for kitchen operations, service areas, and customer engagement.
- Integrate a shared seating area with flexible configurations for individuals, small groups, and communal dining experiences.
- Incorporate flow optimization for foot traffic, vendor operations, and accessibility.

3. Architectural & Interior Design

- Develop a detailed architectural plan that modernizes the space while preserving key historical elements of Union Station.
- Select materials, finishes, and furnishings that reflect both the industrial history of rail travel and the contemporary needs of a food hall.
- Design vendor stalls and kitchen spaces with uniform infrastructure but customizable elements to accommodate diverse food concepts.
- Create a cohesive branding and signage plan, ensuring vendor branding complements the historic aesthetic of the space.

4. Historic Preservation & Cultural Integration

- Develop a museum-style installation honoring the legacy of the Pullman Porters, integrating informational displays, artifacts, and visual storytelling.
- Preserve and highlight original architectural features, such as brickwork, windows, or structural elements that contribute to the historic character of the station.
- Work closely with preservation agencies and stakeholders to ensure compliance with historic preservation standards.

5. Commercial Kitchen & Infrastructure Design

- Design state-of-the-art commercial kitchen spaces that align with modern health and safety regulations while utilizing existing infrastructure where possible.
- Specify kitchen equipment, ventilation systems, refrigeration, and storage solutions tailored to a multi-vendor food hall setup.
- Develop a utility plan addressing electrical, plumbing, and HVAC needs for a fully functional food hall.
- Ensure waste management and sustainability by designing appropriate drainage, grease trap maintenance, and energy-efficient kitchen systems.

6. Engineering & Technical Coordination

- Collaborate with structural, mechanical, electrical, and plumbing engineers to ensure all design elements are technically feasible.
- Develop a comprehensive lighting and acoustic design to enhance the customer experience while maintaining a comfortable dining atmosphere.
- Address fire safety, emergency exits, and ventilation requirements in alignment with building codes and food service regulations.

7. Construction Documentation & Permitting

- Prepare detailed construction drawings and specifications required for contractor bidding and construction execution.
- Develop a phased construction plan that minimizes disruption and ensures timely project completion.
- Assist JRA in obtaining all necessary permits and approvals, including health department and historic preservation permits.

8. Project Management & Construction Oversight

- Provide design oversight during construction, ensuring adherence to the approved plans and specifications.
- Conduct regular site visits and inspections to ensure quality control and compliance with design intent.
- Work closely with JRA, contractors, and vendors to address any design modifications or challenges during the build-out process.

9. Post-Construction & Grand Opening Readiness

- Assist in final inspections and punch list resolution before project handover.
- Provide as-built drawings and maintenance guidelines for future facility management.
- Support JRA with the setup and launch of vendor spaces, ensuring a seamless transition into operations.

SECTION 5: EVALUATION CRITERIA AND SELECTION PROCESS

5.1 Evaluation Criteria

The Jackson Redevelopment Authority (JRA) will evaluate all proposals based on the following criteria:

1. Firm Experience and Qualifications (35 Points)

- Experience in providing architectural and design services for food hall and commercial renovation projects, particularly within historic buildings or districts.
- Proven track record of successfully completing renovations for historic properties, ensuring compliance with preservation standards while modernizing spaces for contemporary uses such as food halls, restaurants, and public venues.
- Quality and depth of references demonstrating the firm's ability to deliver similar services, with a focus on adaptive reuse, functionality, safety, and accessibility in historic properties.

2. Key Project Staff and Expertise (25 Points)

- Qualifications and experience of the proposed key staff members assigned to this project, particularly their expertise in architectural design, commercial kitchen systems, accessibility standards, and historic preservation compliance.
- Ability to assign skilled personnel with demonstrated experience in working on adaptive reuse projects for historic buildings, navigating both the preservation and operational needs of spaces like food halls.
- Experience with coordinating design solutions that blend modern functionality with the preservation of historic elements, while meeting all safety and accessibility requirements.

3. Methodology and Approach (30 Points)

- The firm's approach to addressing the project's requirements, including specific strategies for designing and modernizing the space for food vendors while preserving the building's historical character. This includes detailed strategies for improving kitchen layouts, common areas, and public spaces.
- Strategies for ensuring compliance with historic preservation guidelines, building codes, ADA standards, and other applicable regulatory requirements, ensuring the space is both functional and accessible.
- Communication practices, including how the firm will keep JRA informed of progress, coordinate with stakeholders (including city officials and historical preservationists), and manage any potential challenges or adjustments throughout the renovation process.

4. References & Client Feedback (10 Points)

- Quality and relevance of client references that speak to the firm’s past performance, particularly in adaptive reuse and historic preservation projects with a focus on creating vibrant public spaces like food halls.
- Client feedback regarding the firm’s ability to meet deadlines, adhere to budgets, communicate effectively, and deliver high-quality results that balance modern needs with historic preservation standards.
- Demonstrated ability to build strong client relationships and respond to project challenges in a timely and effective manner, particularly in complex, multi-phase renovations.

The maximum possible score is 100 points.

5.2 Evaluation Committee

An evaluation committee will be established by the JRA to review and score all submitted proposals. The committee will evaluate each proposal according to the criteria outlined above and make recommendations for the selection of the successful proposer.

The committee will include JRA staff, individuals with expertise in historic preservation, urban redevelopment, and public sector project management. Members will independently assess each proposal, and all scores will be compiled to determine the highest-scoring proposal.

5.3 Oral Interviews (Optional)

JRA reserves the right to conduct oral interviews with shortlisted proposers to further evaluate qualifications and approaches. Interviews may be used to:

- Clarify or expand upon information provided in the proposal.
- Assess the firm’s approach to Historic Tax Credit Consulting and Architectural Services.
- Evaluate the firm’s ability to communicate and collaborate effectively with JRA and stakeholders.

Interviews, if conducted, will be scheduled for **February 21, 2025**. The evaluation committee will notify the selected firms and provide details regarding the interview format.

5.4 Final Selection

The final selection of the successful proposer will be based on cumulative scores from the evaluation of the written proposals and, if applicable, oral interviews. The highest-scoring firm will be recommended to JRA for contract award.

JRA reserves the right to:

- Reject any or all proposals.
- Negotiate with the selected firm(s).
- Not award a contract if no proposal is deemed suitable.

All proposers will be notified of the final decision regarding the selection process. Upon selection, the successful firm will enter contract negotiations with JRA to formalize the terms of the agreement. The contract will include specific deliverables, timelines, and compensation arrangements.

SECTION 6: CONTRACT NEGOTIATION PROCESS

6.1 Overview of the Contract Negotiation Process

After the final selection of the successful proposer, JRA will begin the contract negotiation process. This phase is intended to formalize the relationship between the JRA and the selected firm and ensure that the terms and conditions of the contract are mutually agreed upon. The negotiation process will focus on defining deliverables, timelines, payment structures, performance standards, and any other key aspects of the contract that were not fully addressed in the proposal.

The successful firm will be notified in writing and will be invited to enter into negotiations with JRA. The firm will be expected to negotiate in good faith and provide the necessary documentation, resources, and information to facilitate a smooth contract negotiation.

6.2 Key Components to be Negotiated

The following elements will be discussed and finalized during the contract negotiation process:

1. Scope of Work and Deliverables

- Clear definition of the scope of services to be provided, including the specific tasks, goals, and objectives to be achieved.
- A mutually agreed-upon timeline for service delivery, including milestones and deadlines for key deliverables.

2. Compensation and Payment Terms

- Final agreement on the total compensation for the services provided, including any upfront payments, milestone-based payments, or recurring fees.
- A payment schedule and invoicing process, including any specific conditions for payment and terms related to late fees or penalties.

3. Performance Metrics and Standards

- Agreement on how performance will be evaluated, including key performance indicators (KPIs), reporting requirements, and any regular performance reviews or meetings.

- Expectations for how progress will be communicated to JRA, including regular updates and reports.

4. **Timeline and Project Management**

- Finalization of a detailed project timeline, including key milestones, deadlines, and benchmarks to track progress.
- Agreement on a project management approach, including how JRA and the successful firm will collaborate and communicate.

5. **Termination Clauses**

- Terms and conditions under which either party can terminate the agreement, including notice periods and reasons for termination.
- Procedures for handling any transition or handover of work if the contract is terminated early.

6. **Confidentiality and Compliance**

- Confirmation of compliance with all relevant laws, regulations, and JRA policies, including confidentiality requirements and restrictions on the sharing of sensitive information.
- Agreement on data privacy and protection, especially related to any personal or proprietary data shared during the contract.

7. **Indemnification and Liability**

- Final terms regarding indemnification provisions, including any liabilities the firm may assume for actions taken or omissions during the contract period.
- Agreement on the insurance requirements for the firm, including types and amounts of coverage.

8. **Dispute Resolution Process**

- Procedures for resolving disputes, including any required mediation, arbitration, or legal steps, and agreement on the jurisdiction or venue for any legal action.

6.3 Duration of Negotiations

Contract negotiations are expected to begin within **one week** following the selection of the successful proposer. JRA aims to finalize the negotiations and execute a contract within **two weeks** of commencing negotiations, though the exact timeline may vary depending on the complexity of the contract terms and the responsiveness of both parties.

Should there be any delays or challenges during the negotiation process, both parties are expected to work collaboratively to resolve any issues in a timely manner. If, for any reason, a mutually acceptable agreement cannot be reached, JRA reserves the right to discontinue negotiations with the selected firm and begin negotiations with the next highest-scoring proposer or consider alternative solutions.

6.4 Contract Execution

Once the terms have been finalized, JRA will prepare the official contract document. The contract must be signed by an authorized representative of both JRA and the selected firm. This signed contract will serve as the formal agreement between the parties and will define the rights and responsibilities of each in providing federal lobbying services.

The executed contract will include the agreed-upon deliverables, timelines, compensation, and all other negotiated terms. It will be legally binding once signed by both parties and will serve as the governing document for the duration of the contract.
